

# UVAC Class Descriptions

## ALL LEVELS WELCOME

### Boot Camp

A powerful and challenging workout to improve cardiovascular endurance, muscular and core strength using a wide variety of moves. You will use an assortment of equipment such as steps, bosu balls, body bars and weights.

### Boxing Circuit

Learn basic boxing skills while getting a well-rounded workout. This class is designed for all skill levels, and is a great entry-level boxing and cardio class.

### Boxing Skills

Learn the proper boxing footwork and fundamentals, effective punching techniques, defensive body movements, and strategic positioning.

### Cardio Kickboxing

Cardio-focused with conditioning intervals, encompassing movements from multiple martial arts including karate, Muay Thai and Taekwondo.

### Circuit Training

55 minutes of full body resistance training using balls, weights, body bars, bands and intense circuits for a total body workout in a group setting.

### Dance Fusion

This class is nonstop dancing blending Zumba routines and original choreography with a focus on movement and musicality. Get ready to have more fun than you ever thought in this full-body, get-your-groove-on, workout. Dance Fusion is perfect for anyone wanting to take their Zumba moves to the next level.

### Dance Skills

Strengthen and stretch your body while learning foundational dance skills such as turns, kicks, and leaps. Suitable for all skill levels, from complete beginners to advanced dancers!

### Early Riser Strength

A strength class that works the whole body. Use free weights, bands, balls, as well as body weight exercises. Participate in non-stop strength building exercises that will increase muscular endurance and get you ready to embrace your day!

### Essential Conditioning

A whole body workout designed to target all main muscle groups to improve overall strength and mobility. This course uses a circuit structure that includes agility, Resistance, and a variety of equipment.

### Full-Body Strength

High reps, low weights is the name of the game. In this class, we will target all the major muscle groups and work to fatigue, challenging your muscular endurance while increasing strength. All levels welcome!

### Kettlebell Strength

A resistance training-based group class focused on improving and maintaining strength and muscle development using primarily kettlebells for a wide variety of movements, but other implements such as dumbbells and resistance bands will be utilized for variety and a well-rounded program.

### Low-Impact Circuit Training

A total body conditioning class that incorporated weights, bands, TRX, and balls through various circuits. The class is high intensity, but low impact on the joints, making it great for all ages and abilities.

### POUND Unplugged

Is a 30-minute workout designed to combine high-intensity movement with mindfulness and meditation, promoting both physical and mental well-being. It features 20 minutes of drumming with Ripstix followed by 10 minutes of restorative stretches, breathwork, and meditation.

### Power Hour

A challenging small group-based circuit style class with timed work and rest periods. You'll be performing various strength and conditioning exercises at a fast pace using dumbbells, kettle balls, TRX, and your own body weight.

### TRX

A unique strength building exercise using straps and your own body weight to build cardiovascular health, stamina, core stability and improve posture and balance. This training style WILL provide every tool you need to reach your goals. Fourteen spots available per class.

### Zumba

Focuses on Latin movements with added cardiovascular drills. An hour long class that gets your body moving to the beat and working up a sweat! Each instructor adds their own style.

### Group Cycling

A high-energy, fat-burning, indoor cycling workout. No matter what your fitness level, you'll burn calories and have fun! Great

music, camaraderie and visualization in a complete mind/body exercise program for unparalleled fitness results. You can burn an average of 500 calories in a 40-minute class!

### Aqua Gym

Aqua Gym is designed with different blocks of exercises focusing on strength, cardio and speed and agility. Designed for all fitness levels.

### Deep Water Variations

A deep pool, low-impact workout with a high impact on your cardiovascular system. Wear a flotation belt for support in the deep water or rely on your own ability to float as you perform deep water aerobic routines.

### Deep Water Volleyball

A fun full body, deep water workout designed to improve strength and cardiovascular fitness using a safe yet challenging mix of water walking/running and volleyball.

### Warm Water Essentials

Come join Sue learning the art of water tabata. Toning your muscles, straightening your alignment, working on core, balance, and strength all while having fun.

### H2O To Go

This class is low stress on the joints and very beneficial for the body. Various movements are performed while using noodles and water weights to increase resistance and difficulty. The entire class takes place in the warm water pool. All levels welcome!

### Mahi in Water

Pilates mat and reformer exercises adapted to water. Learn the moves of Mahi Pilates easier without the fear of falling and less pain due to high range of motion in the water. Proper alignment, core support, and spine mobility are the main focus of the exercises.

### Splash HIIT

A high intensity aqua class with exercises to increase strength and cardiovascular fitness. Being in the water makes all exercises have a low impact on the joints of the body and still receive all the benefits as if they were to be done on land.

### HIIT the Water

Combining HIIT and ladder drills, burn calories and get stronger in this water workout that can be enjoyed in both deep water and shallow water.

### Alternative Flow Yoga

Alternative yoga incorporates traditional yoga focused on postures and breathing, but has a Westernized twist. It adds something unique to the mix that will have an added benefit to the body, mind or both.

### Yoga Strength and Balance

Strength and Balance are the key attributes for the physical and mental health of our body. The sequences will lead you through the wonderful practice in yoga to develop these qualities. Yoga props will be used to accommodate all participants.

### Gentle Yoga

Includes carefully orchestrated movements, controlled pressure, well-measured stretches, and range of motion exercises. Encourages a highly individualized approach to practice with on-going moment-to-moment adjustments. For those who want a softer, slow-paced, and relaxing practice.

### Beginner Slow Flow Yoga

Discover the world of yoga at your own pace with Beginner's Slow Flow Yoga class. This gentle introduction focuses on basic poses, mindfulness, breath work, and relaxation. Chairs available. (not req.)

### Mat Pilates

Develop core strength, flexibility, balance, and stamina while you lengthen and strengthen your muscles with this highly effective low- impact workout!

### Slow Flow Yoga

A slow paced class designed to rejuvenate and heal the body. Focus is on alignment, strength and flexibility.

### Vinyasa Yoga

Movements are synchronized with the breath while practicing traditional asana (poses) and sequences.

### Slow & Sacred Sundays

A slower-paced class that aligns with the natural rhythm of the morning, featuring deep stretches, longer holds, and mindful breathwork. Perfect for setting intentions and cultivating a sense of stability, balance, and readiness for the week ahead.

### Partner Yoga

This is a practice where two people connect through yoga poses, building trust, communication, and physical connection through shared movement and support.
