

Swim Lesson Protocols at UVAC

Welcome to Swim Lessons at UVAC! We have had quite the journey since we restarted swim lessons in June of 2020! The current requests for swim lessons, both group and private, have been growing month by month! We are excited by all this interest, and at the same time we do find it challenging to keep up... It is sad for us that we know we won't be able to accommodate everyone. As we get ready to open our Spring Session for registration, we want to help set expectations. Because we will fill all the lesson spaces that we will offer, we will be going back to our pre-covid policy that [we don't offer make-ups](#). We hope if you choose to register, you will go into the session with that expectation.

- **Masks** are now optional for all coming to UVAC, but if you feel more comfortable wearing one or having your child wear one up until the point of their lessons we want you to feel free to do so!
- **Locker rooms and showers** are available, and we leave it up to you to choose your family's best practices. For some, arriving with swimsuits under clothing could be a great strategy to enhance social distancing!
- Personal Goggles are required
- Please don't come if you or your child is feeling sick!
- **With Swim Lessons at UVAC we offer a Special Day Pass Rate for extended swimming if occupancy allows!** (This feature is not yet available with Saturday lessons due to occupancy)

Here is how it works: Lesson Swimmer, plus immediate family may purchase half price day passes for extended swimming during the lesson time block! (or until another program limits the use of the Warm Water pool)

Adults: \$7

Children 3 years and older: \$3

Parent and Me: together only \$3.

- **Swimmers 7 years and under must be accompanied in the water by an adult 18 yrs or older.** For lessons only: Parents watching their children in the splash park, or if their children are over 7yrs and the parent prefers not to get in the water... in that case the parent does not need to pay to stay! (*applies only for the Special Lesson Day Pass*)
